## Show to Parking Attendant

The KMOM clinic will be held in the Meadowlark Building at the Kansas State Fairgrounds. All volunteers must enter through Gate E-2 and have the parking pass printed and ready to show the gate attendant. All other gates will be locked, with the exception of Gate E-3, which is where patients will enter.

### Unloading of Equipment/Supplies:

Dentists may pull to the front of Meadowlark to drop off equipment at the Volunteer Entrance, then go park.
